Futura

THE FUTURA IS NOW

Konichiwa* Futura

Welcome to a new level of clean

Experience our new Futura smart toilet: gentler on the skin, soothing and hygienic routine for an elevated sense of wellness and comfort.

* Hello

Redefine your intimate routine

Technology meets comfort

In a world of constant innovation, where technology transforms every aspect of life, Sanitana introduces the future of personal hygiene. Inspired by Japanese culture, we bring a new concept to your intimate care: the **Futura smart toilet**. Would we still feel clean if we rubbed absorbent paper all over our skin instead of having a shower? Probably not. When we consider cleanliness, we picture the refreshing flow of water and so do the Japanese.

Today, amidst growing interest in personal care, the desire for a clean, refreshed and secure feeling after your most intimate of activities intensifies. That is why our new **Futura smart toilet** combines design with visionary technology to harness the power of water for unparalleled cleanliness and comfort. **Experience a revitalizing alternative with gentle, natural cleansing and elevate your bathroom experience to new heights of well-being.**

Serene Rituals

Japan inspired skin bliss

Envelop yourself in the art of perfect skin care with an adjustable spray and a comforting supply of warm water, for a soothing cleanse.

Tailored water temperature

Easily set the cleaning spray water temperature to match your personal preferences with four adjustable levels. Fresh and cool at ambient temperature or choose the warming comfort of one of its three heat settings.

Gentle and efficient drying

Indulge in post-shower luxury with Futura's warm-air dryer, offering fast and gentle drying for ultimate comfort. Tailor your experience with four adjustable temperature settings, ensuring a soft and perfectly customized drying sensation.

Adjustable spray pressure

Tailor the spray strength to your unique preferences. Futura offers the flexibility to adjust the wash pressure, providing a spectrum of options from soft and soothing to a more intense spray across three levels.

Customizable cleansing setup

Easily reposition the cleansing spray as needed. Designed for maximum adaptability, it offers five different positions to achieve the perfect distance for your individual needs, with impressive performance every time.

Front and rear wash modes

Explore new cleaning rituals with Futura smart toilet. Discover its front and rear wash modes and how they ensure a powerful cleaning experience and perfect freshness and comfort.

Pure hygiene in motion

Experience the soft forward and backward motion of the cleansing spray. Revel in the versatility of its adjustable settings and its thorough oscillating movement, ensuring a consistently clean experience.

Your smart toilet, Your settings

At the touch of a button

At Sanitana we are all about comfort. We know you expect your bathroom experience to adapt to you and Futura follows suit. Take control over your cleansing routine and effortlessly choose your preferred settings with its convenient remote control or the practical side panel.

Your desired water temperature.

Refreshingly cool or soothingly warm, the choice is yours for the cleaning spray.

Your perfect drying warmth.

Futura's warm-air dryer ensures gentle drying with four adjustable temperature settings.

Your chosen spray intensity.

From gentle to a more intense pressure spray, pick the power setting that suits you.

Your perfect spray position.

Achieve optimal performance every time by adapting the spray arm position.

Zen Cleanliness

Pristine at all times

Immerse yourself in unparalleled hygiene. Every design choice was crafted to ensure immaculate cleanliness — for both user and toilet. 100% Purity guarantee.

Unmatched rimless hygiene

Discover effortless hygiene with Futura's rimless toilet. Eliminating the inner channel in which water used to flow means bidding farewell to hidden bacteria in corners and crevices and welcoming the cleanest toilet ever.

Powerful vortex flush

Experience a superior flush with Futura's rimless toilet. Engineered for efficiency, its water distribution system propels water with greater force in a 360° swirling flow ensuring thorough cleaning with minimal water usage.

Automatic cleaning assurance

You can rest assured that hygiene is our top priority. That is why before and after each use, Futura's automatic cleaning program meticulously sanitizes the spray arm, ensuring optimal cleanliness and safety.

Removable spray head

Futura ensures hassle-free upkeep with an easily extractible spray arm. Keep your smart toilet pristine by effortlessly removing the spray arm for thorough cleaning, ensuring long-lasting comfort and peace of mind.

Take-off toilet seat

With Futura's smart hinge design, cleaning has never been easier. Simply remove the toilet seat for thorough cleaning by releasing each side – one at a time – and gently tilt the seat slightly for an effortless extraction.

Precision in Cleanliness

The cleanest toilet ever

Self-cleaning spray arm. An automatic cleaning program ensures pristine cleanliness before and after each toilet use.

Detachable spray head. For a more thorough cleaning, Futura's smart toilet spray arm head is easily removable.

Vortex power amplified. Its rimless design creates a powerful flush, effectively cleansing the bowl's surface.

Quick release seat and cover. Futura's smart hinge design enables an effortless removal of the toilet seat for a thorough cleaning.

Futura smart toilet meticulous attention to detail ensures impeccable hygiene. Its ingenious details, from a rimless design to a practical removable toilet seat, guarantee a 100% hygienic toilet experience.

Harmony in Comfort

Haven of convenience

Experience comfort like never before. Our features, including an ergonomic seat, remote control and nightlight, embody the epitome of convenience.

Intuitive remote control

Experience convenience with Futura's intuitive remote control, easily accessible and wall-mountable within arm's reach. Navigate every function effortlessly, selecting your preferred settings with a simple menu interface.

Convenient on-seat controls

Accessing basic washing and drying functions is effortless with the panel located directly on the seat. This auxiliary side control allows the use medium settings with average temperatures, medium pressure and spray position.

Ergonomic comfort redefined

Experience optimal support with our ergonomic seat design, ensuring unparalleled comfort. Crafted with precision to complement your body's contours, it promotes optimal posture and relaxation.

Guided comfort in the dark

Our thoughtful design incorporates a soft nightlight at the back of the seat, providing guidance in the dark without disturbing your peace. Choose from four adjustable modes: off, on, night mode or a combination of these.

Soft-close serenity

Futura's soft-close seat and cover ensure quiet and gentle closure, minimizing noise and potential damage for a peaceful and durable bathroom experience. Enjoy tranquility with every use.

Intelligent presence sensor

An embedded presence sensor in Futura ensures that operations like washing and drying are activated solely when the seat is occupied. This design prioritizes user safety and efficient energy usage.

Tailored experience at your fingertips

Effortless user customization

Empower your experience with customizable features. Use the practical remote control to adjust water or air temperature, intensity and position to suit your preferences.
